

ENVIRONMENTAL QUALITY AND ENERGY COMMISSION

Fridley Municipal Center, 6431 University Ave Ne

AGENDA

February 9, 2016, 7:00 p.m.

Location: Woodcrest Elementary School, 880 Osborne Road, Fridley

Call to Order

Approve Environmental Quality and Energy Commission Minutes

Review January 12th, 2015 minutes (sent under separate cover).

New Business

Presentation, Anoka County Highway and Transportation, Osborne Road (CSAH 8) Corridor Study. This presentation will include information about potential road diet, roundabout use on this major road.

Commissioners will have a chance to interact with County transportation planners to discuss the potential for bicycle and pedestrian improvements along Osborne Rd., which is a County roadway between the Cities of Spring Lake Park and Fridley. This presentation could lend insight into the future of other multi-modally challenged east/west roadways, like Mississippi St.

Commissioners Hansen, Foell and Westby will provide an update on the Anoka County Environmental Comprehensive Plan meeting held in January, where valuable contacts were made.

Old Business

Review of Commissioners' 2016 Top Three Goals

Other

Hands On Twin Cities, volunteer capacity-building organization; information from grant opportunity
